Asset Downloaded for the Unreal Engine Project

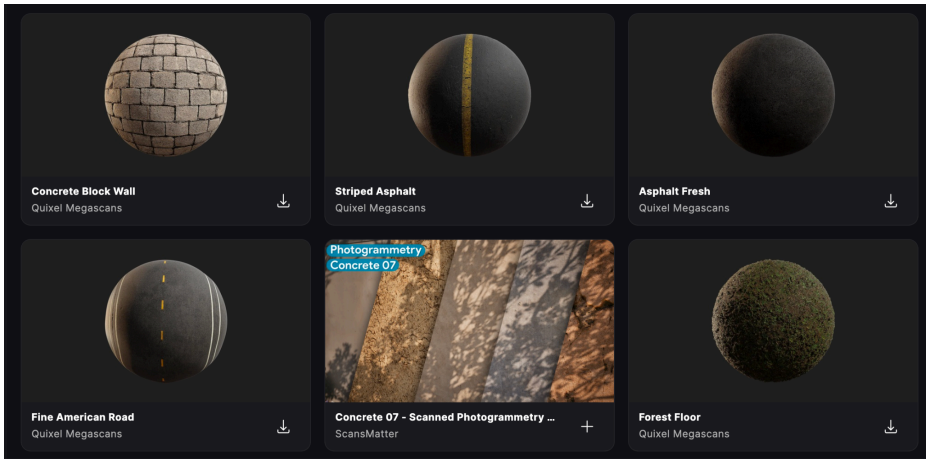

- Note: these are all free, and there are hundreds more that are potentially useful for the project.

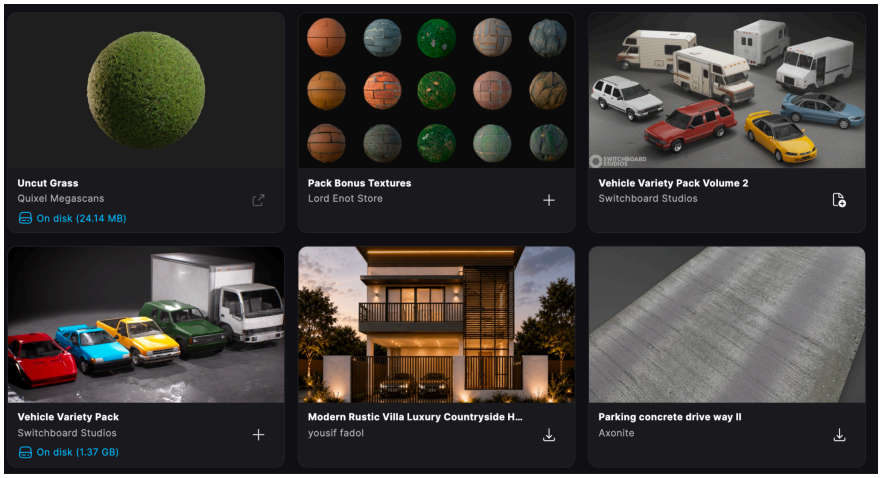

Other free plugins exist for city generation

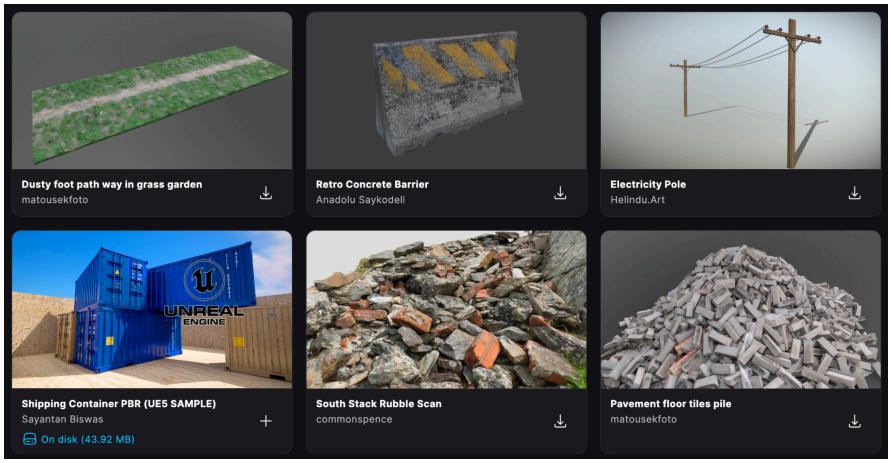

1. https://github.com/Esri/cityengine_for_unreal
2. https://www.fab.com/listings/783058bc-1afc-472a-96b1-289ad13c6aa9
    a. Free building generator
3. https://dev.epicgames.com/documentation/unreal-engine/city-sample-quick-start-for-generating-a-city-and-freeway-in-unreal-engine-5?lang=en-US
4. https://www.fab.com/listings/4898e707-7855-404b-af0e-a505ee690e68?lang=en
    a. I believe that requires 100GB of free space
